To who it may concern,

This year marks the Centennial anniversary of the Battle of Beersheba where the Australian and New Zealand Army Corps (ANZAC) courageously and victoriously captured the town of Beersheba (in southern Israel) from the Ottoman Empire, in what has been labeled 'the last cavalry battle in history'.

Marking the anniversary, which will culminate with an event on 31st October, the leaders of both Australia and New Zealand are scheduled to lead official delegations to Israel and to participate in a number of high profile activities marking this extraordinary achievement.

One of these activities will be organized by a non for profit organization Kids Kicking Cancer in Israel, which runs the "Heroes' Circle" empowerment programs especially designed for helping children with Cancer and other serious diseases.

I hereby welcome and support the invitation by the Chairman of the organization, whom I have known for quite a number of years. I hope you will be able to participate in the events and look forward to seeing you in person in Israel.

Sincerely,

Yuval Rotem
